Dear Rob,

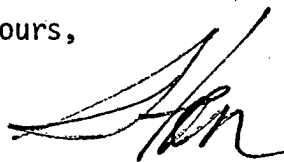

Thanks for sending along the photos taken in Owensboro last June. They will be a most welcome addition to our album.

I do hope to remain active in the Academy's program; in fact, I have already put the meeting in Utah next June on my schedule. Certainly hope I will be able to make it.

Thanks too for your kind comment on the work we're doing here at the Agency.

All the best to you and Shirley from Pat and me.

Yours,

STANSFIELD TURNER

Dear Admiral Turner,

Shirley and I thoroughly enjoyed getting acquainted with you at the American Academy of Achievement meeting last June. Hopefully, you will find time to continue active participation in this fine program as have many of us who are part of the past honoree group.

In spite of good intentions, it was only last week that time permitted sorting out prints from photos taken in Owensboro. We thought you might like to have these few for your own album since they include your close friends 

In behalf of all citizens of the United States, accept our thanks for the fine job you are doing of restoring order to one of our most vital government functions.

Shirley joins in sending best wishes.

Cordially, */ /*
